New restaurant Ben's Burgers delivers hit fast food out of a cozy hole-in-the-wall shop.

bit-sized

A homely neighborhood, dining. These days, it's all about the food. And Ben's Burgers is no exception. The new restaurant, located in a cozy hole-in-the-wall shop, delivers hit fast food out of a cozy hole-in-the-wall shop.

The "Bacon Biffles," is Ben's Burgers signature, is served with extra beef. Photo by Heidi Olson.
