

Bingo!

INGLEMoor

Been inside the forbidden concert hall	Someone parked in your spot	Been interviewed by Scandia or Nordic	Actually eaten the cafeteria raisins
Been hit by branches in Sherwood's Forest	Pretended to scan the hall pass QR code	Participated in someone's IB psychology experiment	Heard "Black and Yellow" on GMI
Touched gum on the bottom of a desk	Ran for your life to get a decent spot for lunch	Sat at a desk that's covered with amateur art	Tried to pee but a group of people outside the stall made you self-conscious
Sat on a rusty toilet seat	Taken a massive dump in the bathroom with zero shame	Cringed at the memes on the Sherwood's Forest TV	Been posted on one of the many Inglemoor Instagram accounts
